

Europe Study Centre Brings Technical University of Košice, Slovakia to Kumaraguru College, Coimbatore

From Slovakia to Coimbatore - A step toward expanding cross-cultural knowledge sharing and technological innovation.

Coimbatore, Tamil Nadu Dec 2, 2025 ([Issuewire.com](https://www.issuewire.com)) - We are delighted to share a wonderful update from the Europe Study Centre (ESC)! 🌐

The delegates from the **Technical University of Košice (TUKE), Slovakia—Assoc. Prof. Michal Soltes, PhD (Dean, Faculty of Economics) and Assoc. Prof. Dr. Jan Buleca, PhD (Vice Dean – External Relations & Development)**—recently visited Kumaraguru College of Technology, Coimbatore.

They were accompanied by **Mr. Sivaraman Pandian, Director – Europe Study Centre**. Together, they met the important pillars of Kumaraguru College, including:

Dr. Deepesh Chandrasekharan, Principal.

Dr. S. Raghupathy Santhanakrishnan, Director – Strategic Planning & Review.

Dr. Satish Kumar Sagadevan, Associate Director – Global Engagement.

During the visit, the discussions focused on:

- Advancing international academic collaboration
- Strengthening research and innovation opportunities
- Enhancing mobility pathways for Indian students

Building future-ready skills through European higher education

At ESC, we are proud to facilitate such meaningful interactions that help students and institutions gain direct exposure to global education systems. This visit marks another step in bringing world-class European universities closer to Indian learners.

We look forward to creating more opportunities for academic partnerships and student development in the future!
