

Jiffy Auto Glass Provides Emergency Auto Glass Repair Services Across Colorado Following Recent Windstorms

Same-day mobile and in-shop services available for windshield, side window, rear glass, and tempered safety glass damage

Denver, Colorado Dec 19, 2025 ([IssueWire.com](https://www.issuewire.com)) - In response to recent Colorado windstorms that have caused widespread vehicle glass damage, [Jiffy Auto Glass](#) is providing same-day emergency mobile auto glass repair and replacement services for drivers experiencing damage to windshields, side windows, rear windshields, and tempered safety glass.

High winds and airborne debris commonly result in a range of auto glass damage, including shattered side and rear windows as well as cracked and chipped windshields. Damage to tempered safety glass and windshields can leave vehicles unsafe to operate, exposed to weather, and vulnerable to theft, making timely repair critical.

Jiffy Auto Glass offers emergency response services for storm-related auto glass damage, including windshield replacement, windshield chip repair, side window replacement, rear windshield and back glass replacement, tempered safety glass repair, and mobile auto glass service for damage caused by wind, debris, and vehicle break-ins. Same-day service availability is based on technician and glass availability.

The company operates from its physical service location in Lakewood, Colorado, and provides mobile service across the Denver metro area and surrounding Colorado communities.

Jiffy Auto Glass - Lakewood Shop:

7800 W Colfax Ave, Unit A
Lakewood, CO 80214

Walk-in appointments are available at the Lakewood location, subject to technician and glass availability. All other cities are served through mobile service.

To support drivers during the winter season, Jiffy Auto Glass is offering several limited-time service options, including \$49 in-shop windshield chip repairs and a holiday promotion of \$75 off windshield replacement, with services required to be booked and completed by December 31. The company also provides assistance with insurance claims related to storm-damaged auto glass.

All services are performed by experienced technicians using OEM-quality auto glass and are backed by a lifetime warranty on workmanship.

Drivers experiencing storm-related auto glass damage are encouraged to seek repairs promptly, as delays may increase safety risks and repair costs.

For more information or to schedule service, contact Jiffy Auto Glass at (303) 876-0999. Same-day mobile service is available based on availability.
