Kirsten Haas: A Passionate Realtor and Entrepreneur Making Dreams Come True in Wichita, Kansas

Wichita, Kansas Jan 1, 2026 ([Issuewire.com](https://www.issuewire.com)) - Kirsten Haas, a dedicated Realtor with Lange Real Estate, is making waves in the Wichita real estate market with her unique blend of entrepreneurial spirit and commitment to client satisfaction. For nine years, she's owned and operated Beautified—growing it into one of Wichita's most trusted names for spray tans while learning what it truly means to serve

people well. While still running that, Kirsten has seamlessly transitioned into a new journey in real estate. Specializing in residential properties, she expertly represents buyers, sellers, and investors in both new construction and resale markets.

Kirsten prides herself on building strong connections and cultivating meaningful relationships with her clients. One of her favorite parts of the job is when the “Paperwork fades, stress disappears, and suddenly it’s all smiles when the keys hit their hand—that moment is everything,” she shared. “Every client is unique, and I strive to create a tailored experience that meets their individual needs and desires.” Her dedication is evidenced by her impressive track record, with most homes being under contract in under three weeks, thanks to her robust social media presence and innovative marketing strategies.

Looking ahead, Kirsten is thrilled to announce her latest project working as one of the listing agents in developing new construction homes in Valley Center, Kansas. The development Amber Ridge is located directly across from the new elementary there. She is partnered with another esteemed agent on this project. She aims to provide a seamless experience for homeowners looking to achieve the American Dream.

In addition to her real estate endeavors, Kirsten is also working to launch her franchise, Fly Dance Fitness, in 2026. Combining her passion for dance with her dedication to health, she is excited to bring energy and enthusiasm to the community through this innovative fitness program.

Kirsten attributes her success to her unwavering belief in consistency and self-confidence. “I approach every endeavor with heart and dedication, striving to make a positive impact in the lives of those around me,” she stated. As a devoted mother of three, she balances her thriving career with cherished moments spent with her children, whether exploring the zoo, enjoying park outings, or cozy movie nights at home.

For clients looking to buy or sell a home in Wichita, Kansas, Kirsten emphasizes her commitment to satisfaction: “Finding the right home isn’t just about walls and windows—it’s about finding the place where your life fits perfectly. I’ll help you get there.” With Kirsten Haas, clients can expect not just a transaction but a transformative experience in their real estate journey.
