

MDC Design Center Expands In-Stock Kitchen Cabinet and Remodeling Solutions in Cherry Hill, NJ

Local showroom offers faster project timelines with ready-to-pick cabinets, design guidance, and transparent renovation support.

Cherry Hill, New Jersey Dec 15, 2025 ([IssueWire.com](https://www.issuewire.com)) - MDC Design Center, a kitchen and bath showroom based in Cherry Hill, New Jersey, continues to support homeowners and contractors with in-stock kitchen cabinets and practical remodeling solutions designed to simplify renovation projects.

Specializing in popular shaker-style cabinets, bathroom vanities, countertops, and flooring options, MDC Design Center focuses on products that are readily available, helping customers avoid long lead times often associated with custom orders. This approach allows homeowners to move forward with kitchen and bathroom upgrades more efficiently while maintaining quality and design flexibility.

Homeowners researching [Cabinets Cherry Hill](#) can explore in-stock options and design guidance directly through a local showroom experience.

With over 30 years of industry experience, the MDC Design Center team provides layout planning, material selection, and design guidance for both full remodels and materials-only purchases. Customers may work with their own contractors or simply source cabinetry and finishes directly from the showroom, ensuring a transparent and adaptable process.

Located in Cherry Hill, the showroom serves South Jersey, Philadelphia, and nearby Delaware communities. MDC Design Center emphasizes clear communication, realistic project expectations, and durable materials that enhance both everyday functionality and long-term property value.
