

Modern Dental Care Hosts January Women's Clothing Drive to Donate Business-Casual Wear and Brighten the New Year

Las Vegas, Nevada Dec 22, 2025 ([IssueWire.com](https://www.IssueWire.com)) - Modern Dental Care, a trusted dental practice in Las Vegas, is pleased to announce its End-of-Year Women's Clothing Drive running through January. In an effort to give back to the community and support those in need, the practice is collecting gently used women's business-casual clothing to help individuals start the new year with confidence.

"We're excited to host this clothing drive and provide our patients with a meaningful way to give back during the holiday season," said Dr. Mark Edington, lead dentist at Modern Dental Care. "By donating gently used business-casual clothing, our patients can help make a difference in someone's life as they prepare for the new year and their professional journey."

Patients are invited to drop off their donations at Modern Dental Care during their dental appointments throughout January. With the end of the year fast approaching, many patients are also reminded to take advantage of any remaining insurance benefits before they expire on December 31st. The practice encourages everyone to schedule an appointment to maximize their benefits while giving back to those in need.

"Whether using dental insurance or an FSA, we know many people tend to scramble for last-minute appointments at the end of the year," said Dr. Mark Edington. "Our schedule fills up quickly, so we urge everyone to book early. And while you're here, bring a clothing donation to help us spread some holiday cheer!"

Details of the Clothing Drive:

- **When:** Throughout the month of January
- **What to Donate:** Gently used women's business-casual clothing
- **Where:** Modern Dental Care, [practice address], Las Vegas, NV
- **Why:** To brighten someone's New Year with essential wardrobe pieces

To schedule an appointment or learn more about the clothing drive, patients are encouraged to visit our website or call the office directly.
