Nicholas Kiemel: Elevating Investment Real Estate in Denver with New Western

Denver, Colorado Dec 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - Nicholas Kiemel, a Licensed Real Estate Broker with New Western, is making significant strides in the competitive investment real estate market of Denver, Colorado. Specializing in one- to four-unit residential properties, Nicholas is an essential member of the dispositions team, dedicated to helping clients identify and acquire investment-grade properties with substantial renovation and resale potential.

Nicholas earned his Bachelor's Degree in Business Management from Saint Mary's University of Minnesota in May 2024, shortly before joining New Western. His fresh perspective and enthusiasm have proven invaluable in navigating the fast-paced real estate landscape. While he currently focuses on property dispositions, his ambition to expand into acquisitions is evident, as he diligently gains experience in sourcing and evaluating investment opportunities.

At New Western, Nicholas works closely with clients to provide access to a curated selection of properties. His dedication to the fix-and-flip market allows him to assist investors in making informed decisions that maximize their returns. "I believe in the importance of understanding what our clients need and helping them navigate the complexities of the investment real estate market," Nicholas said. "It's incredibly rewarding to guide clients toward properties that align with their investment goals."

Nicholas attributes his early success to a strong work ethic, eagerness to learn from industry experts, and the supportive culture at New Western. "The team environment here is both competitive and encouraging, which pushes me to continually improve and deliver the best results for my clients," he noted. His commitment to client satisfaction shines through as he actively engages with investors, helping them find opportunities in desirable neighborhoods like Parker, renowned for its safety, walkability, and strong sense of community.

Away from work, Nicholas can often be found back on the ice—he's a former college hockey player who now competes in men's league hockey. He also loves golfing, hiking, skiing, and exploring the outdoors with his wife, Haddy, and their black lab, Elbert.
