

Palm Desert Suites Announces Full Property Renovation and Official Relaunch in Palm Desert

Boutique hotel completes full renovation on November 1, 2025, with redesigned 700 sq. ft. luxury suites, full-size kitchens, and modern furnishings — marking a new guest experience in Palm Desert.

Palm Desert, California Dec 9, 2025 ([IssueWire.com](https://www.issuewire.com)) - Palm Desert Suites Announces Full Property Renovation and Official Relaunch in Palm Desert

Palm Desert Suites, a boutique independent hotel located at 74380 El Camino, Palm Desert, has completed a full renovation of its entire property on November 1, 2025, introducing redesigned 700 sq. ft. luxury suites with full-size kitchens, brand-new furniture, modern flooring, updated lighting, and upgraded resort-style amenities. The renovation reflects the hotel's commitment to creating a modern, spacious, and comfortable experience in the heart of the Coachella Valley.

The renovation included the complete reconstruction of all guest suites, including new kitchens, bathrooms, flooring, furniture, and interior finishes.

Spacious 700 sq. ft. Luxury Suites

Each suite has been transformed with a contemporary desert-inspired design, featuring:

- full-size residential kitchen with appliances
- dedicated dining and living spaces
- brand-new furnishings and décor
- luxury bedding and updated bath space
- large smart 65-inch TVs
- improved lighting and layout
- comfortable workspace

At nearly 700 square feet, Palm Desert Suites offers some of the largest accommodations in the region, ideal for short stays, extended visits, couples, families, and group travel.

Property-Wide Upgrades

The renovation was not limited to guest rooms. Major improvements include:

- cleaner, refreshed pools and jacuzzi
- renewed landscaping
- enhanced guest amenities
- improved high-speed fiber internet and smart access technology

The hotel's location places guests just minutes from the El Paseo shopping and dining district, golf courses, festivals, and local attractions.

Statement from Management

“This renovation represents a complete transformation of Palm Desert Suites; we are excited to welcome guests to a brand-new experience — every suite has been redesigned from the ground up to combine the comfort of a full residential space with the style of a boutique desert property.”
