

Parkland Animal Clinic Welcomes New Clients with \$25 Off Their First Appointment

Parkland Animal Clinic announces a special welcome offer for new clients: \$25 off their first appointment.

Parkland, Florida Dec 19, 2025 ([IssueWire.com](https://www.issuewire.com)) - Parkland Animal Clinic is proud to introduce a new client promotional offer designed to warmly welcome pet families in the Parkland community. With a \$25 discount on a pet's first appointment, the clinic aims to express gratitude to new clients for choosing a trusted partner in their pet's lifelong health.

Parkland Animal Clinic has long been dedicated to serving the dogs and cats of Parkland, FL, and surrounding areas with exceptional, stress-free veterinary care. The clinic is excited to announce a new initiative that reflects this commitment: a \$25 discount for all new clients on their pet's first appointment. This special offer is designed as a gesture of appreciation for pet owners placing their trust in the clinic's experienced medical team.

New clients are invited to schedule their first visit and simply mention the promotion during booking or at check-in to receive the discount. The offer applies exclusively to first-time appointments and is valid for one pet per household. While it cannot be combined with other discounts or promotions, the incentive provides meaningful savings for families seeking high-quality veterinary services.

At Parkland Animal Clinic, patient comfort and client satisfaction remain top priorities. Whether a family has just welcomed a new puppy, is caring for a senior cat, or has a pet with ongoing medical needs, the clinic offers a full range of veterinary services designed to support each stage of a pet's life. From wellness exams and vaccinations to diagnostics, dental care, and advanced treatments, the clinic's team is committed to delivering personalized, compassionate care in a calm and supportive environment.

The \$25 new-client offer underscores the clinic's dedication to building long-term relationships with pet owners. By reducing the financial barrier for first visits, Parkland Animal Clinic hopes to encourage more families to seek preventive care early and establish a trusted medical home for their pets.

"We're thrilled to welcome new clients with this special discount," said Dr. Arlianne Velez, the veterinarian at Parkland Animal Clinic. "Our goal is always to provide pets with the highest standard of care, and this offer allows us to meet even more families in our community."

New pet owners and long-time pet parents alike are invited to schedule an appointment and experience the difference firsthand. The Parkland Animal Clinic team looks forward to meeting new patients and helping them enjoy long, healthy, and happy lives.
