

Pixa Creative Launches “Gives A Fork” Holiday Food Donation Drive

This holiday season, Pixa Creative is partnering with St. Mary’s Food Bank to help fight hunger in Phoenix, AZ. Learn more about our “Gives A Fork” initiative and how your gift can make a meaningful impact. #WhereToDonateFoodInPhoenix

Phoenix, Arizona Dec 23, 2025 ([Issuewire.com](https://www.issuewire.com)) - Pixa Creative has announced the launch of its “Gives A Fork” food donation initiative, inviting the community to join in fighting hunger this season. For those wondering where you can donate food in Phoenix, AZ, Pixa Creative’s campaign offers a meaningful way to support families in need through its partnership with St. Mary’s Food Bank.

Participants can drop off nonperishable items directly at the Pixa Creative office, where the team is hosting a canned food collection. In addition to food donations, the initiative includes an online fundraiser. Every \$1 contributed helps provide five meals to Arizona families, amplifying the impact of every gift.

As part of the initiative, Pixa Creative is also raising awareness about the Arizona Charitable Tax Credit, which allows qualifying donations to St. Mary’s Food Bank to be claimed as a dollar-for-dollar credit on state taxes: up to \$987 for couples who file jointly and up to \$495 for individuals. Donors can simply use the organization’s Qualifying Charitable Organization (QCO) code 20208 when filing.

“Gives A Fork” reflects Pixa Creative’s ongoing commitment to community-centered work, underscoring the growing need for food assistance while empowering residents to take action in a way that fits their budget and values.

About Pixa Creative
