

Reid Hoshide, MD, MPH: A Leader in Advanced Neurosurgical Care at the Neurosurgical Institute of Hawaii

Specializing in Brain and Spine Solutions That Restore Hope and Improve Lives

Honolulu, Hawaii Dec 30, 2025 ([Issuewire.com](https://www.issuewire.com)) - The Neurosurgical Institute of Hawaii, helmed by the esteemed Reid Hoshide, MD, MPH, proudly announces its unwavering commitment to providing outstanding care for patients facing complex neurological conditions. Nestled in the heart of Honolulu, Dr. Hoshide and his dedicated team of neurosurgeons leverage years of experience, cutting-edge techniques, and a patient-centered philosophy to deliver personalized treatment plans tailored to each individual's unique needs.

The Neurosurgical Institute of Hawaii specializes in a wide array of services, including minimally invasive spine procedures, brain tumor management, treatment for degenerative spinal conditions, brain and spinal trauma, and Hydrocephalus. With a steadfast focus on precision, safety, and ongoing research, the institute remains at the vanguard of neurosurgical excellence in Hawaii. Dr. Hoshide and his team prioritize patient empowerment through education and collaboration, ensuring that patients remain informed and confident throughout their healthcare journey.

Dr. Hoshide, a distinguished graduate of the University of Hawaii John A. Burns School of Medicine, has developed a robust foundation in neurosurgery through rigorous training at the University of California, San Diego, where he completed his residency from 2012 to 2019. His additional fellowships in pediatric neuro-oncology and minimally invasive neurosurgery have endowed him with advanced skills and knowledge, positioning him at the forefront of modern neurosurgical practice.

In addition to providing state-of-the-art surgical interventions, the Neurosurgical Institute of Hawaii is dedicated to advancing the field of neurosurgery through pioneering research and innovation. Dr. Hoshide's research has been extensively published in renowned medical journals, contributing valuable insights to the medical community and enhancing the quality of care available at the institute.

As the Neurosurgical Institute of Hawaii continues to set the standard for neurosurgical excellence in Hawaii, it remains steadfast in its mission to deliver compassionate, high-quality care. Patients grappling with neurological challenges can expect nothing short of excellence as they embark on their recovery journey with Dr. Reid Hoshide and his dedicated team.
