This CES Exhibits Plus Pass giveaway gives international professionals, startup founders, and globally mobile talent the opportunity to attend CES 2026 in Las Vegas at no cost, while also receiving free 15-minute consultations on U.S. visas, green cards, founder pathways, O-1 eligibility, and long-term immigration planning.

CES 2026, taking place January 6–9, 2026, in Las Vegas, Nevada, is the world’s most influential technology exhibition, attracting over 100,000 innovators, investors, startups, and enterprise leaders. The event showcases breakthroughs in artificial intelligence, mobility, consumer electronics, and emerging technologies, making it a critical platform for global expansion and partnerships.

“CES is a gateway to innovation and global opportunity, but access and immigration uncertainty remain real barriers for international talent,” said Shan Potts, Esq., Founder of Shan Potts Law Offices. “Through this free CES 2026 Exhibits Plus pass giveaway*, we’re helping founders and professionals attend CES while giving them clear, actionable guidance on their U.S. immigration options.”

Attendees can apply through the firm’s CES initiative portal for a chance to receive free CES 2026 exhibit passes*, along with personalized immigration insights tailored to tech professionals, startup founders, and globally mobile teams.

Limited free CES 2026 passes available.
