Divine Destinations Travel, a faith-focused travel brand based in South Carolina, has announced the launch of its faith-based travel services, offering Christian cruises, religious tours, and spiritually

enriching group travel experiences for churches, ministries, and faith-centered travelers nationwide.

Founded by travel professional Scott Faust, Divine Destinations Travel specializes in designing meaningful journeys that combine fellowship, worship, and professionally planned travel. Offerings include Bible cruises, Holy Land tours, Christian retreats, and religious destination travel scheduled for 2026 and beyond.

“Faith-based travel creates an opportunity for believers to step away from daily distractions and reconnect spiritually while building lasting relationships,” said Faust. “These trips are designed to strengthen faith, encourage fellowship, and provide peace of mind through expert planning and personal service.”

Divine Destinations Travel works with trusted cruise lines, tour operators, and faith-oriented travel partners to provide customized itineraries tailored to the needs of churches, ministries, and group leaders. By managing logistics such as reservations, group space, and travel coordination, the agency allows leaders to focus on ministry while travelers enjoy a seamless experience.

In addition to group travel, Divine Destinations Travel assists individual travelers seeking Christian cruises and religious tours aligned with their faith and values. The agency emphasizes the importance of working with a professional travel advisor to ensure advocacy, support, and personalized attention before, during, and after travel.

Faith-based organizations interested in hosting a Christian cruise or religious tour are encouraged to begin planning early, as group availability for 2026 and 2027 departures is limited.
