

SRMIST, Ramapuram, Chennai and MIT Square, London Sets a Global Benchmark with the Indo-Global Winter Internship 2024-25

Chennai, Tamil Nadu Dec 13, 2025 ([Issuewire.com](https://www.issuewire.com)) - SRM Institute of Science and Technology (SRMIST), Ramapuram Campus, Chennai, marked a significant global milestone with the outstanding success of the Indo-Global Winter Internship Programme 2024–25, proudly delivered in collaboration with [MIT Square](https://www.mit-square.com), London. Now in its fourth consecutive year of success, this flagship initiative exemplified SRMIST's commitment to internationalized, industry-aligned education by offering students immersive exposure to globally relevant domains such as Artificial Intelligence, Cyber Security, Data Science, and Sustainable Technologies, under the mentorship of international academics and industry experts. The collaboration with MIT Square, London, transformed the internship into a high-impact global learning experience, blending research-driven training, real-world problem solving, and international best practices, thereby enhancing students' technical competence, global outlook, and employability while firmly positioning SRMIST Ramapuram as a forward-looking institution setting new benchmarks in international experiential learning. All the works have been transformed into publications, patents, and copyrights.

Dr. R. Shivakumar, Chairman of the SRM Trichy and Ramapuram campuses, expressed his admiration for the collaboration and appreciated the efforts in fostering international exposure, innovation-driven learning, and global opportunities for SRMIST students. The success meet was led by Dr. Balika J. Chelliah, VP–Admin, Dr. K. Raja, Chairperson, School of CSE, Dr. J. Sutha, HoD–CSE, and Dr. A. Manju, Assistant Professor, CSE.

The SRMIST students who benefited from the internship include Jayasurya K, Adina Rakesh Reddy, Papisetty Pavan Kalyan, Sai Vamsi Madhavarapu, Tarun K M, Muhammed Faiha, Tanuja Gobinath Radha Krishnan, S.A.Pranav, M.Kishoreraj, V K Tulasi Krishna, Athulya Ravi, Vainavi Bm, Joshikha S, M Sanya Amreen, Yashwanth R, Janaki Nageshwaran, L B Uppili, Molluesh Varma P, Suryaa. U, Shakthivel R, Shreeyaas S, Vishnu Shankar, Shyam Sundar, Nithin Murugan, Prishha Ramesh, Jayasuryaa Chandrasekar, Priya Dharshini K, Ameen Hamsa, Prajeet R, Kamal Addithan S.B, Muthusrihemadharshini S.A, Mikhil Sai N, Riddhi Sahu, and Monisha G.

The resounding success of the programme reinforces SRMIST Ramapuram's position as a forward-looking global institution and establishes a new benchmark for international internships—one that empowers students to innovate, lead, and excel on the world stage.
