Summer Wilborn: Leading the Charge in Tacoma's Real Estate Landscape

Tacoma, Washington Dec 15, 2025 ([Issuewire.com](https://www.issuewire.com)) - Summer Wilborn, Owner and Designated Broker of Better Properties North Proctor, proudly represents the oldest standing real estate office in the Proctor neighborhood and the largest woman-owned real estate brokerage in Pierce County. As a second-generation industry professional—the daughter of a local contractor and granddaughter of a local developer—Summer's deep-rooted connections to Tacoma's real estate community are complemented by her extensive experience and commitment to service.

After dedicating 12 years to education, Summer returned to her real estate roots in 2010. Her ascent was rapid; within five years, she acquired the North Proctor office, demonstrating her exceptional ability to lead and inspire. Guided by her philosophy that “your success is the measure of my success,” Summer has built a reputation for principled leadership and sharp industry knowledge. Her focus on delivering exceptional client service ensures that every buyer and seller feels informed, supported, and confident throughout their real estate journey.

Summer’s calm and proactive approach to problem-solving sets her apart in the industry. Known for her strength as a solution-finder, she meets clients exactly where they are, guiding them toward the best direction to achieve their goals. While her impressive sales history and professional accomplishments highlight her excellence, Summer places a far greater value on client satisfaction than on statistics alone, ensuring that her clients remain at the heart of her business.

In 2015, Summer, alongside her husband Deric, co-founded a property management company, further expanding her commitment to the Tacoma community. Her leadership extends beyond her brokerage, as she actively participates in district boards, local fundraisers, and ongoing volunteer efforts. Through her dedication, she continues to foster a brokerage culture rooted in integrity, expertise, and the success of those she serves.

Outside of her professional endeavors, Summer enjoys life’s simple pleasures. Whether savoring Turkish coffee, hosting friends, cheering on Sunday football, or staying active with tennis and skiing, she finds joy in spending quality time with her two boys, immersing herself in the vibrant community she loves.

As Better Properties North Proctor continues to thrive under her leadership, Summer Wilborn remains committed to shaping the future of real estate in Tacoma, one satisfied client at a time.
