The company is increasing service availability for homeowners, renters, property managers, real estate professionals, Airbnb hosts, and small businesses throughout Tampa, Riverview, Brandon, Wesley Chapel, and Apollo Beach.

The Tampa Bay area continues to experience strong population growth, a competitive housing market, and an increase in short-term rental activity. As demand rises, Tampa Bay Shine has expanded its trained cleaning teams and service capacity to support both recurring and one-time cleaning needs.

The company offers a full range of professional cleaning solutions, including standard cleaning, deep cleaning, move-in and move-out cleaning, Airbnb turnover services, office cleaning, commercial janitorial services, and post-event and post-construction cleaning. Each service is supported by detailed checklists and quality procedures designed to ensure a consistent experience for clients.

“Our goal is to provide reliable, high-quality cleaning services that help support families, renters, local businesses, and real estate partners across Tampa Bay,” said owner Richert Caldwell. “We have invested heavily in training, scheduling systems, and process improvements so our team can deliver dependable results on every visit.”

Tampa Bay Shine has also strengthened its partnerships with local realtors and property managers. The company offers flexible scheduling for move-out cleanings, fast turnover support for short-term rentals, and customizable cleaning plans for commercial offices and small business environments. Many clients rely on the company for recurring weekly, biweekly, or monthly cleaning, while others schedule one-time services for seasonal deep cleans, pre-listing preparation, or move-out inspections.
