

TRU Experience Travel Launches Thailand Group Tours as a Family, Friend and Corporate Team Tours.

Summary: TRU Experience Travel introduces group trips Thailand, presenting new Thailand group tour packages catered for families, friends, and corporate teams, combining culture and adventure with relaxation on an effortless island-hopping experience

London, United Kingdom Dec 17, 2025 ([Issuewire.com](https://www.issuewire.com)) - TRU Experience Travel, the leading innovator in curated travel experience, is delighted to announce that it has explicitly introduced **Thailand group tour packages** that are targeted at families, friend groups, and corporate teams with a desire to find a unique and collective journey to the so-called Land of Smiles. TRU Experience Travel tours offers a mix of cultural experiences, beach leisure, and adventure guided by professionals and in a well-organized fashion.

A Tour to Suit Every Group

TRU Experience Travel understands that different travelers have different needs; therefore, the company has structured three core types of group tours:

- **Family Getaways:** These itineraries strike a perfect balance between kids' activities, such as beach games, snorkeling, and temple visits, and downtime for parents to relax. Homes away from home and safe transport make this ideal for multigenerational travel.
- **Friends' Escapades:** These **Thailand group tour packages** cater to the fun-loving friends and blend island hopping with nightlife, local markets, and adventure activities.
- **Corporate & Team Retreats:** Combine business and leisure on these tours, comprising team-building activities, cultural immersion, and luxury stays.

Why Group Tours with TRU Experience Travel are Different

- TRU Experience Travel takes care of all logistics: flights, if so preferred, domestic transfers, accommodation, all meals, and sightseeing.
- **Local Knowledge:** Guided by expert local guides, guests will be taken to the most beautiful hidden gems of the region, from jungle raft houses to secluded beaches, in ways that will make each visit unforgettable.
- Flexible, yet structured itineraries allow for free time so that travellers can wander at will and never miss the key highlights.
- **Safety & Comfort:** Your entire group is taken care of through group-coordinated transport, accommodation vetting, and travel support. We offer peace of mind to both families and corporate teams.

Itinerary: Flagship Thailand Island Hopper.

The TRU flagship group tour offering in Thailand is the Thailand Island Hopper package. It is a multi-day adventure across the hustling life of Bangkok to the green jungles of Khao Sok National Park to some of the most beautiful islands in Thailand: Koh Phangan, Koh Tao, Koh Phi Phi and Phuket. Among them are river cruises, staying in the floating raft houses, snorkeling in the turquoise waters, and nightlife in the islands.

This itinerary is built on TRU's proven travel philosophy, as seen in its parent company tours. According

to TRU's Asian multi-country tour, the Thailand leg spans attractions that include Khao Sok, floating bungalows, island-hopping boats, and more. TruTravels The company's "Island Hopper" style has been refined to deliver maximum value and immersive experiences.

"Group travel should be more than affordable; it should be transformational," says [Name, Title], at TRU Experience Travel. Our new **Thailand group tour packages** have been designed to create interconnection, exploration, and happiness. We have such that, whether it is a family vacation, old friends, or a company retreat, you will find something here that really speaks to you.
