

Vedlume Launches Luxury Handcrafted Scented Candles for Festive Homes in India

The Indian home fragrance brand introduces eco-friendly soy wax candles designed for festive décor, premium gifting, and elegant living spaces.

New Delhi, Delhi Dec 22, 2025 ([Issuewire.com](https://www.Issuewire.com)) - [Vedlume](#), a premium Indian scented candle brand, has officially launched its luxury handcrafted candle collection, designed especially for festive décor, elegant gifting, and modern home ambiance. Made with 100% natural soy wax and premium fragrance blends, Vedlume candles bring together sophistication, warmth, and sustainability for Indian homes.

As the festive season approaches, Vedlume introduces a refined range of scented candles that enhance celebrations like **Diwali, weddings, housewarmings, anniversaries, and corporate gifting**. Each candle is thoughtfully hand-poured to deliver a clean burn, long-lasting fragrance, and a luxurious visual appeal.

“Vedlume was created to add light, fragrance, and elegance to special moments,” said the founder of Vedlume. “Festivals are about emotions, warmth, and togetherness—and our candles are crafted to elevate that experience.”

Vedlume candles are made using **eco-friendly soy wax, lead-free cotton wicks, and high-quality fragrance oils**, ensuring a safe and toxin-free burn. With an average burn time of up to **48 hours**, the candles are perfect for festive evenings, meditation, relaxation, and décor styling.

The brand’s luxury glass jar candles feature minimal yet premium designs, making them ideal as **festive gifts and home décor accents**. Vedlume offers a curated fragrance portfolio including floral, woody, fresh, and calming notes, carefully chosen to suit Indian tastes and seasonal moods.

Focused on craftsmanship and sustainability, Vedlume follows a small-batch production approach to maintain quality and consistency. The brand emphasizes responsible sourcing, elegant packaging, and attention to detail—positioning Vedlume as a rising name in India’s luxury home fragrance market.

Vedlume scented candles are now available online, offering customers across India access to premium-quality candles at accessible luxury pricing. With its festive-ready designs and soothing fragrances, Vedlume aims to become a go-to brand for **luxury candles, festive gifting, and premium home décor**.
