

## Ziggy-2-Tymez™ Accelerates His Rise With New Single “Pull Up”

After the breakout success of “Straight Face,” the South Carolina artist returns with a high-energy follow-up built for speed and ambition.

**Orangeburg, South Carolina Feb 7, 2026 (IssueWire.com)** - Independent hip-hop artist Ziggy2Tymez™ continues his momentum with the release of his newest single, "Pull Up" The track arrives shortly after the strong performance of his growing catalog of distinctive music with a sound like no other he is quickly making waves in the underground rapper community aiming for mainstream recognition he's been putting in the work.

Known for his sharp delivery, coded storytelling, and disciplined work ethic, Ziggy2Tymez™ has been steadily building a catalog that reflects both growth and grit. "Pull Up" pushes that evolution forward with high-energy production, confident lyricism, and a sound built for acceleration.

"Every drop is another step toward the legacy I'm building," says Ziggy2Tymez™. "This one feels like acceleration."

With multiple releases already out and a rapidly developing brand, Ziggy2Tymez™ is carving out his lane as one of South Carolina's most driven emerging artists. "Pull Up" showcases his ability to blend ambition, confidence, and storytelling into a track that resonates with listeners who are chasing their own version of success.
