

# 7-Day Writing Masterclass in Athens: Write, Workshop, and Get Published in a Guaranteed Anthology

Writers from the US, Canada, and the UK will spend Feb 26–Mar 4 in Greece with daily masterclasses, city tours, and the rare chance to see their short stories published in a global anthology by Imagine Press Inc.

7-DAY WRITING RETREAT  
MASTERCLASS (GET PUBLISHED!)  
FEB 26 TO MARCH 3 2026

**Athens, Attica Jan 5, 2026 ([IssueWire.com](http://IssueWire.com))** - This February, international writers will gather at the **Acropolis Select in Athens, Greece**, for an immersive **7-Day Writing Masterclass with Guaranteed Anthology Publication**, hosted by **Imagine Greece Retreats**. Taking place from **February 26 to March 4, 2026**, the [retreat](#) is designed for aspiring and established authors ready to sharpen their craft and take a concrete step toward publication.

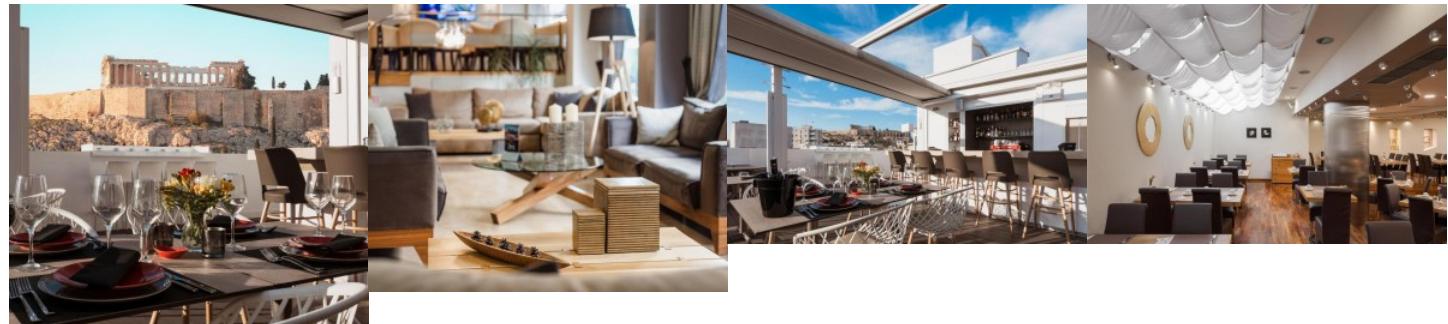

Held in [Athens](#), the program blends focused writing time, in-depth masterclasses, and honest conversations about the publishing world. Participants will work closely with experienced instructors, receive feedback on their writing, and gain insight into what it takes to move from draft to published work.

What sets this retreat apart is its guaranteed outcome: all qualifying participants will have their short stories published in a professionally produced **anthology**, offering a rare and meaningful milestone for writers at any stage of their career.

Beyond the classroom, guests experience Greece through curated city walks, shared meals, and relaxed evenings that encourage connection and creative exchange. The atmosphere is supportive, focused, and intentionally small, allowing writers to build lasting relationships while making real progress on the page.

The retreat is organized by [Imagine Greece Retreats](#), known for combining authentic Greek hospitality with thoughtfully designed creative experiences for writers from all over the world.
