

Amaya Dental Sets New Standard in Digital & Aesthetic Dentistry, Emerging as the Best Dental Clinic in Bangalore

Bengaluru, Karnataka Jan 2, 2026 ([Issuewire.com](https://www.issuewire.com)) - Amaya Dental, a premier multi-specialty dental center, is redefining oral healthcare standards in India through its pioneering adoption of Evidence-

Based Prosthodontics and advanced digital dentistry. Under the leadership of Dr. Khushboo Mishra, a Gold Medalist and renowned Prosthodontist, the facility has firmly established itself as the **Best Dental clinic in Bangalore**, offering world-class treatments ranging from Digital Smile Designing (DSD) to laser-assisted procedures.

As the demand for cosmetic and restorative dentistry surges in India's "Silicon Valley," Amaya Dental distinguishes itself by integrating holistic wellness with cutting-edge technology. The clinic is reportedly the first in the country to strictly practice Evidence-Based Prosthodontics, a methodology that combines clinical expertise with the most current research to optimize patient outcomes. This commitment to scientific precision allows the clinic to deliver superior results in complex procedures like full mouth rehabilitation, dental implants, and Invisalign aligners.

*"At Amaya Dental, we believe that a healthy, confident smile is the gateway to overall well-being," said Dr. Khushboo Mishra, Founder of Amaya Dental and recipient of the prestigious Rashtriya Shiksha Ratan Award. "Our vision was to create a space where art meets science where patients don't just get treatments, but experience a transformation. By leveraging tools like Digital Smile Designing and microscopic root canal therapies, we ensure that every procedure is minimally invasive and aesthetically perfect. Being recognized as the **Best Dental clinic in Bangalore** is a testament to our team's relentless pursuit of perfection and patient care."*

The clinic's state-of-the-art facilities in Vasanth Nagar and Sahakar Nagar are equipped with modern diagnostic and treatment infrastructure, ensuring strict adherence to hygiene protocols recommended by the Ministry of Health & Family Welfare (MoH&FW). Patients have access to a comprehensive suite of services including:

- | |
|--|
| • Digital Smile Designing (DSD): Custom-tailored smile makeovers using advanced imaging software. |
| • Laser Dentistry: Painless treatment for hard and soft tissues. |
| • Restorative Care: High-precision veneers, crowns, bridges, and implants. |
| • Orthodontics: Invisalign and advanced alignment solutions. |

Amaya Dental's rise to prominence is also attributed to its patient-centric philosophy. The team prioritizes "Gentle Dentistry," focusing on alleviating anxiety and ensuring comfort for patients of all ages, from pediatric to geriatric care. This dedication to excellence has garnered the clinic a reputation as a trusted destination for both local residents and international patients seeking high-quality dental tourism in India.
