

America's Best in Medicine Recognizes Dr. Melaku Demede for Excellence in Interventional Cardiology Leadership

Advancing Innovative, Minimally Invasive Heart Care Through Clinical Expertise, Research, and Compassion

Beckley, West Virginia Jan 7, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Melaku Demede, MD, MHS, FACC, FSCAI, is a highly accomplished Interventional Cardiologist and serves as Director of Cardiovascular Services

and the Cardiac Catheterization Laboratory at ARH Cardiology Associates in Beckley, West Virginia. With more than a decade of experience in advanced cardiovascular care, Dr. Demede is widely respected for his commitment to improving patient outcomes through evidence-based interventions, innovative treatment approaches, and compassionate, patient-centered care.

Dr. Demede's clinical practice focuses on the prevention, diagnosis, and treatment of complex heart conditions, utilizing state-of-the-art, minimally invasive techniques to reduce recovery times and enhance long-term outcomes. As a leader within ARH Cardiology Associates, he plays a pivotal role in advancing clinical excellence, ensuring high standards of safety, quality, and efficiency across cardiovascular services. His expertise spans coronary and structural heart interventions, and he is known for tailoring treatment strategies to meet the individual needs of each patient.

Dr. Demede holds a Master of Health Sciences (MHS) in Epidemiology and Biostatistics from The University of Manchester, providing him with a strong analytical foundation that informs both his clinical decision-making and quality improvement initiatives. He completed his Cardiology and Interventional Cardiology training at the State University of New York Health Science Center at Brooklyn, where he developed advanced proficiency in cutting-edge cardiovascular procedures and clinical research. This rigorous academic and clinical training has positioned him as a trusted expert and valued mentor to colleagues and trainees alike.

In recognition of his professional excellence and dedication to the field, Dr. Demede is a Fellow of the American College of Cardiology (FACC) and a Fellow of the Society for Cardiovascular Angiography and Interventions (FSCAI). These distinctions reflect his commitment to lifelong learning, ethical practice, and the highest standards of cardiovascular care.

Beyond his clinical responsibilities, Dr. Demede is deeply passionate about advancing cardiovascular health through education, mentorship, and community engagement. He actively supports initiatives aimed at expanding access to high-quality cardiac care, particularly in underserved and rural communities, and fostering collaboration within the medical community.

Guided by compassion, scientific rigor, and a strong commitment to service, Dr. Melaku Demede continues to make a meaningful and lasting impact on the lives of his patients and on the broader field of cardiovascular medicine.
