

# America's Best in Medicine Spotlights Khaled F. Salhab, MD, FACS: Leading Innovation in Cardiothoracic Surgery

Mount Sinai Hospital – Acclaimed Cardiothoracic Surgeon Recognized for Advanced Surgical Techniques and Commitment to Education

**Long Island, New York Jan 20, 2026 ([IssueWire.com](http://IssueWire.com))** - Khaled F. Salhab, MD, FACS, a distinguished cardiothoracic surgeon, has garnered acclaim for his exceptional skills in both routine and

intricate cardiac procedures. Dr. Salhab brings a wealth of knowledge and experience to his practice, specializing in coronary artery and valve surgery, as well as advanced aortic, endovascular, and transcatheter therapies.

Until recently, Dr. Salhab has been in practice at NYU Langone since 2013. Dr. Salhab has excelled in his roles as Attending Cardiothoracic Surgeon and Surgical Director of the Heart and Valve Institute. His dedication to patient care and surgical excellence has resulted in thousands of successful operations and outstanding patient outcomes. He is currently pursuing an appointment as Associate Professor of Surgery at the Icahn School of Medicine at Mount Sinai, highlighting his commitment to fostering the next generation of medical professionals.

Dr. Salhab's leadership extends beyond the operating room. He has actively chaired initiatives focused on quality and patient safety, ensuring that the highest standards of surgical practice are maintained. His passion for education is evident as he trains medical students, residents, and physician assistants, shaping the future of cardiothoracic surgery.

Recognized nationally for his expertise, Dr. Salhab contributes to the American Board of Thoracic Surgery as a question writer for the SESATS program and frequently shares his insights at prestigious conferences, including the American College of Surgeons and the American Association for Thoracic Surgery Aortic Symposium. His contributions to clinical research are noteworthy, with numerous publications, book chapters, and pioneering surgical techniques under his belt.

Dr. Salhab's research interests include complex and hybrid aortic surgery, structural heart disease, cardiac tumors, and heart failure management. His innovative approaches have earned him various national and international awards, cementing his reputation as a leader in the field.

Outside of his professional commitments, Dr. Salhab enjoys motorcycle touring, soccer, and spending quality time with his family, embodying a well-rounded approach to life. His passion for fine dining reflects his appreciation for life's pleasures, balancing a demanding career with personal fulfillment.
