Delivering Compassionate, Cutting-Edge Vision Care and Ocular Disease Management in Atlanta, Georgia

Atlanta, Georgia Jan 6, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Atlanta, Georgia – Camilla Donald, OD, is making waves in the field of optometry as the CEO of Signature Eyecare, Inc., where she provides comprehensive eye-care services to patients dealing with a wide range of ocular conditions, including macular degeneration, cataracts, glaucoma, and diabetic retinopathy. With over two decades of experience, Dr. Donald combines her clinical expertise with a compassionate approach to patient care,

ensuring each individual receives the attention and treatment they deserve.

Dr. Donald earned her Doctor of Optometry Degree from the University of Missouri–St. Louis in 2002. Since then, she has cultivated a reputation for conducting meticulous eye examinations, prescribing corrective lenses, diagnosing and treating ocular diseases, and coordinating referrals to specialty care when necessary. Her impressive credentials, including fellowship status with the American Academy of Optometry (FAAO) and Diplomate certification from the American Board of Optometry (ABO), underscore her unwavering commitment to excellence and professional growth.

“What I enjoy most about practicing optometry is the ability to make a meaningful difference in patients’ daily lives through clear, comfortable vision and proactive eye health care,” says Dr. Donald. “I truly value the relationships I build with patients over time, the trust they place in me, and the opportunity to educate them in ways that promote their long-term well-being. Helping someone see better—often immediately—is incredibly rewarding, but being a part of their overall health journey is what continues to inspire me in this profession.”

Dr. Donald has been recognized for her outstanding contributions to eye care, receiving the Excellence in Eye Care Award during her partnership with Walmart Vision Care from 2014 to 2016. In addition, she shared her expertise as a weekly guest speaker on The Glory 107.9 in 2022, where she discussed important topics related to eye health and wellness.

Outside of her clinical practice, Dr. Donald is deeply committed to patient education, research endeavors, and community outreach initiatives, all of which highlight her mission to enhance vision and improve quality of life. She prioritizes staying abreast of evolving technologies and treatment paradigms in optometry, ensuring her patients receive care that is both compassionate and cutting-edge.
