

# Dr. Daniel B. Brubaker's New Book Urges a Return to Truth and Civic Responsibility

Charting a New Course for the GOP Rooted in Integrity, Truth, and Democratic Values

**Los Angeles, California Jan 21, 2026** ([IssueWire.com](http://IssueWire.com)) - In [Psychosocial Political Dysfunction of the Republican Party](#), Dr. Daniel B. Brubaker issues a bold and timely challenge to fellow conservatives: reclaim the party from extremism and restore its commitment to reasoned governance.

With decades of experience in academic and clinical medicine, Dr. Brubaker offers a measured yet urgent analysis of how the Republican Party has shifted away from its foundational values. As a lifelong registered Republican, he traces the party's transformation from the legacy of Abraham Lincoln to the divisive influence of conspiracy theories, misinformation, and fear-mongering.

The book is not merely a critique—it is a call to action. Dr. Brubaker draws attention to how psychological immaturity and antisocial behaviors among political leaders have fostered division, tribalism, and distrust. He argues that a clinically psychopathic leader exploited these dysfunctions, steering the party toward authoritarianism and away from democratic ideals.

Dr. Brubaker's work is grounded in a desire to see his party thrive—not through manipulation or hostility, but through informed policy, civic responsibility, and mutual respect. Through his initiative "Republicans for Progress," he advocates for a return to truth, critical thinking, and constructive political discourse.

As the nation navigates complex political terrain, *Psychosocial Political Dysfunction of the Republican Party* provides a clear lens through which to examine current challenges—and a path forward for those committed to ethical leadership.

The book is now available on Amazon, Barnes & Noble, and other leading retailers.

[Olympus Story House](#) is an emerging digital marketing firm based in Reseda, California that focuses on offering high-quality work at a reasonable price. Our talented staff collaborates with clients to establish a stronger brand and help them get the recognition they deserve. We have the ultimate goal of providing our authors with services that would fit a wide range of marketing budgets, offer reliable feedback and proper guidance in their projects, and present quality service. With our team of passionate marketing and publishing experts, we strive to bring our client's projects to their best potential.
