

From Gorky Park: A Riveting Crime Thriller Where Justice Collides with Global Conspiracy

New York City, New York Jan 24, 2026 ([Issuewire.com](https://www.issuewire.com)) - From Gorky Park, written by Tim Guditus, is a compelling crime thriller that plunges readers into the dangerous streets of New York City and the shadowy world of international intrigue. Published on Amazon Kindle, the novel was officially released on January 18, 2026, introducing a powerful story of justice, sacrifice, and relentless pursuit of truth.

About the book:

The story centers on Detective Tom Pickens, a seasoned NYPD investigator known for his sharp intelligence, dry wit, and unwavering commitment to the law. What begins as a standard murder investigation quickly transforms into a high-risk battle when Alex Petrovs, a violent former KGB agent, is taken into custody. As Pickens digs deeper, he uncovers a dangerous web involving organized crime, international espionage, and possible government cover-ups. The threat becomes deeply personal when Petrovs retaliates by targeting Pickens' informants and placing his family in immediate danger. Forced to navigate fear, responsibility, and moral uncertainty, Pickens must confront not only ruthless enemies but also the emotional cost of his profession. With rising tension and constant twists, the novel keeps readers fully engaged, questioning who can be trusted and how far one man will go to protect justice and those he loves.

About the Author:

Tim Guditus delivers a tightly written, suspense-driven novel that balances gritty realism with emotional depth. *From Gorky Park* combines the intensity of a police procedural with the pace of a modern thriller, offering a concise yet powerful look at justice under pressure. Guditus' sharp storytelling and strong character development make this book a compelling read for crime and thriller enthusiasts alike.
