Denver, Colorado Jan 8, 2026 (IssueWire.com) - Muva is bringing a hybrid sort of vibe for y'all!

It's a Cabaret Show and a Wintery slash Spring Formal!

As things start to thaw and our bones begin to warm, let's heat up the night with a show and dance.

Come join Haus VelvIT as we bring you on a journey of the Hitz that were bangin when we were all born!
A show curated to highlight the music that quite possibly made us.... or that we were made to
?????????

And be sure to hang around for the Formal Dance after to celebrate YOU!

Maybe you never got to attend your school's Formal? Maybe you didn't get to attend with whom you wanted to attend?

Or maybe you just want an excuse to dress up and come dance with us under the disco ball and lights?
Either way..... Join us!
