## About the Book

*The Hunter* opens in the town of Jayton, where a gang of ruthless criminals robs the local Wells Fargo office after learning a large payroll has been delivered. The robbery turns brutally violent, resulting in the murder of three guards. As the gang flees town, they kidnap a young couple only to murder them as well.

That changes when **Scott Burrows**, a feared and respected bounty hunter, rides into town with a dead outlaw draped across his horse.
