

Kevin Altieri, DDS, Recognized by America's Best in Medicine as a Champion of Dental Excellence and Community Service

Bellaire Dental Excellence Celebrates Over 30 Years of Patient-Centered Care and Commitment to the Community

Benbrook, Texas Jan 15, 2026 ([Issuewire.com](https://www.issuewire.com)) - Kevin Altieri, DDS, a highly respected and distinguished dentist, is proud to announce over three decades of dedicated service to the Fort Worth area community through his practice at Bellaire Dental Excellence. Renowned for his unwavering commitment to exceptional dental care, Dr. Altieri seamlessly blends technical proficiency with a

compassionate, patient-centered approach. His meticulous attention to detail and genuine care for his patients have earned him the trust of generations, allowing him to provide comprehensive dental services that encompass everything from routine preventive care to advanced cosmetic and restorative procedures.

Dr. Altieri's journey began at Cal Farley's Boys Ranch in Amarillo, Texas, where he made history as the first alumnus from his high school to become a doctor. His pursuit of excellence continued at West Texas State University, where he earned a Bachelor of Science Degree in Biomedical Science in 1987. He subsequently attended Baylor College of Dentistry, receiving his Doctor of Dental Surgery Degree in 1992. Establishing his practice in 1994, Dr. Altieri has made significant contributions to the dental field and the local community.

Committed to lifelong learning, Dr. Altieri completes over 100 hours of continuing education each year, focusing on sleep dentistry, dental implants, and reconstructive dentistry. He has gained advanced training through multiple residencies and study clubs, including a Hospital Dentistry Residency at the VA Hospital in Temple, Texas, and prestigious institutions such as the Spear Study Club, the Dawson Academy, and the Pankey Institute for Advanced Dentistry. He is a Fellow of the International Congress of Oral Implantologists and has completed a preceptorship in implants at the University of Texas Health Science Center in San Antonio.

Dr. Altieri has been an active member of several prestigious professional organizations, including the American Dental Association, the American Academy of Cosmetic Dentistry, Smile Source, and the Texas Dental [Association](#). He also serves on the TDA Board of Directors and Cal Farley's Boys Ranch Alumni Association Board of Directors, serving as Vice President. He is also affiliated with leading continuing education and study groups such as the Pankey Institute Alumni Association, the Spear Faculty Club, and the Seattle Study Group, reflecting his ongoing commitment to clinical excellence and lifelong learning.

As a general practice, Bellaire Dental Excellence offers a wide array of dental services, with an emphasis on restorative, cosmetic, and implant treatments. Dr. Altieri and his dedicated team work closely with patients and specialists, developing personalized treatment plans that cater to individual needs. Patients are encouraged to explore the Dental Services page on the practice's website to learn more about the tailored options available to support their long-term oral health and wellness.

Beyond his clinical practice, Dr. Altieri is deeply committed to community service. He has volunteered his dental expertise through organizations such as HELP's International, providing essential dental care to underserved populations in Guatemala. His professional excellence and contributions to the field have not gone unnoticed, as he has received numerous accolades, including the Distinguished Alumni Award from the Cal Farley's Boys Ranch Alumni Association and recognition as a Top Dentist in Fort Worth and Top Doctor by Texas Monthly for 14 consecutive years, Top 3 Cosmetic Dentists of Fort Worth/Tarrant County.

As a doctor, Dr. Altieri embraces his role as a coach and educator, equipping his patients with the knowledge and tools necessary to achieve and maintain excellent oral health. His dedication to his profession and craft continues to inspire both his patients and colleagues, setting a remarkable standard of care that exemplifies expertise and empathy.

Outside of his professional commitments, Dr. Altieri enjoys a robust family life with his wife of three decades, Tierni, and their two children, Vincent and Nicole. His personal interests include cycling, snow skiing, photography, hiking, bass fishing, their dogs and longhorns. Additionally, he volunteers as a

group leader at his church's high school ministry, further demonstrating his commitment to community and service.
