

Kingsley Water Damage & Fire Cleanup Expands South Carolina Coverage with Florence Location

The new Florence-Myrtle Beach site strengthens regional deployment capacity and supports continued statewide emergency restoration operations across residential and commercial properties.

Florence, South Carolina Jan 16, 2026 ([Issuewire.com](https://www.issuewire.com)) - Kingsley Water Damage & Fire Cleanup Expands With New Florence-Myrtle Beach Location

Kingsley Water Damage & Fire Cleanup announced the opening of a new service location in Florence, South Carolina, expanding its operational footprint to better serve Florence, Myrtle Beach, and surrounding Pee Dee and coastal communities. The new location is now operating at 202 3rd Loop Rd, Unit A, Florence, SC 29505.

The expansion represents a key milestone for Kingsley Water Damage & Fire Cleanup as the company continues to grow its presence across South Carolina. The Florence-Myrtle Beach location strengthens regional response capabilities while supporting the company's ability to provide statewide emergency response across South Carolina.

Kingsley Water Damage & Fire Cleanup provides professional restoration and remediation services including emergency water damage mitigation, fire and smoke cleanup, mold remediation, and storm-related property damage response. The Florence location will operate as a regional hub, allowing equipment, technicians, and response vehicles to be deployed more efficiently to both inland and coastal service areas.

The new office supports 24-hour emergency response and is staffed by trained technicians operating under standardized procedures designed to ensure consistent service delivery. The location will serve residential and commercial properties and assist property owners throughout the mitigation and restoration process, including documentation support commonly required during insurance claims.

Kingsley Water Damage & Fire Cleanup has received multiple community-recognized awards for restoration services, including Irmo/Chapin Best 2026 and Columbia's Best 2025 for Best Restoration Company. These recognitions reflect continued demand for professional restoration services and consistent service performance across the regions the company serves.

The Florence–Myrtle Beach expansion supports Kingsley's broader mission to improve response times and service access for property owners across South Carolina, particularly in areas impacted by water intrusion, fire damage, mold growth, and severe weather events.

The Florence–Myrtle Beach location can be reached directly at 843-594-0474. Additional information about services and service areas is available at kingsleyllc.com.
