

Mary Jean Fusco, MD, Recognized by America's Best in Medicine as a Leader in Oncology Safety and Clinical Medicine

A Legacy of Advancing Patient Safety, Innovation, and Clinical Practice

Plainfield, New Jersey Jan 29, 2026 ([Issuewire.com](https://www.issuewire.com)) - Flemington, New Jersey – Mary Jean Fusco, MD, a distinguished medical leader, has officially retired after a remarkable career spanning several decades in oncology safety, clinical nephrology, and internal medicine. Most recently serving as Senior Medical Director at AbbVie, Dr. Fusco's career has been characterized by her commitment to patient

safety, scientific rigor, and therapeutic innovation, making significant strides in the field of medicine.

Dr. Fusco earned her Medical Degree from the Medical College of Pennsylvania following her undergraduate studies at Brooklyn College. Her professional journey began with pivotal roles at Bristol Myers Squibb and Astra USA, where she made substantial contributions to over-the-counter cardiovascular programs, clinical monitoring, pharmacology, and post-marketing safety strategies. Her expertise and dedication to patient safety quickly established her as a leader in the industry.

During her more than sixteen-year tenure at Janssen, the pharmaceutical division of Johnson & Johnson, Dr. Fusco excelled as Medical Safety Officer and Director of Global Medical Safety. She consistently applied a meticulous approach to drug development, fostering collaboration among teams that led to successful regulatory and clinical initiatives. Her thoughtful leadership and analytical expertise were instrumental in enhancing patient outcomes and advancing the field of pharmaceutical safety.

Now retired, Dr. Fusco remains actively connected to the professional community she helped shape, generously sharing the wisdom gained from decades of dedicated service and nurturing the meaningful relationships forged throughout her career. Her integrity, compassion, and clinical expertise have left a lasting impact on colleagues and the countless individuals whose lives she has touched.

As she begins this next chapter, Dr. Mary Jean Fusco leaves a distinguished legacy of excellence, leadership, and service. Her career continues to inspire future generations of medical professionals, highlighting the enduring importance of patient safety, thoughtful innovation, and ethical practice.
