

# Melanie Fleyshmakher, OD, Recognized by America's Best in Medicine as a Distinguished Optometrist at Warby Parker

Elevating Eye Care Through Clinical Excellence and a Patient-Centered Approach

**Holmdel, New Jersey Jan 2, 2026** ([IssueWire.com](http://IssueWire.com)) - Melanie Fleyshmakher, OD, is a dedicated and accomplished optometrist at Warby Parker, bringing a wealth of knowledge, experience, and a compassionate approach to patient care. She has committed her career to advancing the field of optometry and ensuring the best possible outcomes for her patients.

After earning her Bachelor of Arts Degree from Fordham University, Dr. Fleyshmakher obtained her Doctor of Optometry Degree from the State University of New York College of Optometry in 2024.

Following her education, she completed a rigorous residency in ocular disease at Atlantic Eye Physicians, where she honed her skills in managing complex eye conditions, including glaucoma, diabetic retinopathy, and corneal irregularities. Her extensive training equips her to provide comprehensive eye care and make informed referrals for specialized needs.

Dr. Fleyshmakher's passion for optometry was ignited at an early age, profoundly influenced by her grandmother's battle with diabetes. This personal connection to eye health has fueled her lifelong commitment to preserving and enhancing vision for her patients. She believes that expert eye care can significantly improve quality of life, and she strives to deliver this care through a patient-centered approach that emphasizes preventive measures, education, and long-term visual wellness.

As a Fellow of the American Academy of Optometry, Dr. Fleyshmakher is recognized for her precision, compassion, and unwavering dedication to improving visual health for every patient she serves. In addition to her clinical work, she has made significant contributions to professional education by lecturing and conducting seminars on ocular disease management, specialty contact lenses, and neuro-optometry.

Fluent in both English and Russian, Dr. Fleyshmakher combines exceptional clinical skills with strong communication abilities, allowing her to provide personalized care for a diverse patient population. At Warby Parker, she collaborates with a dedicated team to ensure that every patient receives the highest level of optometric services, tailored to their unique needs.
