

## Pratima Pandey Rani new Superhit song "Waiting List "

Song showing mirror on harsh reality of todays society and relationships

**Mumbai, Maharashtra Jan 30, 2026 ([Issuewire.com](http://Issuewire.com))** - Renowned Singer, Composer, Lyricist, and Model Pratima Pandey Rani Releases Powerful New Track "Waiting List"

Pratima Pandey Rani, the multi-talented artist, is back with a bang, unveiling her latest masterpiece, "Waiting List". This hard-hitting song is a reflection of the harsh realities of today's society and relationships, leaving listeners with a lot to think about. "Waiting List" is a poignant ballad that showcases

Pratima's impressive vocal range and songwriting skills. As the singer, composer, and lyricist of the song, Pratima has poured her heart and soul into this project, creating a piece that resonates deeply with the youth. The song takes a stark look at the way we prioritize relationships, often putting them on a waiting list while we chase our ambitions and desires. With her thought-provoking lyrics, Pratima sheds light on the struggles of finding genuine connections in a fast-paced world. "Waiting List" is not just a song; it's a movement. It's a wake-up call for all of us to reevaluate our priorities and cherish the relationships that truly matter. Pratima's emotive vocals and the song's haunting melody will leave you moved and introspective.

She's definitely killed it as a model in the song, bringing the lyrics to life with her visuals. The song's message is hitting hard.

The song is already creating waves on social media, with fans and fellow artists alike praising Pratima's talent and vision. With "Waiting List", Pratima Pandey Rani cements her position as a bold and fearless voice in the music industry. **About Pratima Pandey Rani:**
