

## Registration Opens for 2026 National Opal's Walk for Freedom

**Dallas, Texas Jan 20, 2026** ([IssueWire.com](http://IssueWire.com)) - Unity Unlimited, Inc. opened registration Monday for the **2026 National Opal's Walk for Freedom**, a Juneteenth observance featuring simultaneous in-person walks across the United States and a virtual walk open to participants worldwide.

The event, scheduled for **June 19, 2026**, is led by **Dr. Opal Lee**, known as the "Grandmother of Juneteenth," whose walking campaign helped secure Juneteenth's designation as a federal holiday in 2021. Participants will walk **2.5 miles**, symbolizing the 2.5 years between the signing of the

Emancipation Proclamation and its enforcement in Texas.

The 2026 Walk advances Unity Unlimited's **50 States Initiative**, a long-term effort to establish at least one branded Opal's Walk for Freedom in every state by 2030.

"When I began walking, it was to remind people that freedom was delayed—but never denied," Lee said. "Walking together reminds us that justice requires action."

Confirmed host cities for 2026 include **Fort Worth, TX, and Washington, DC**, which will serve as flagship locations, along with **Cincinnati, OH; Los Angeles, CA; Birmingham, AL; Honolulu, HI; Evanston, IL; Detroit, MI; Grants Pass, OR; and St. Paul, MN**. No additional host cities will be added this year, though nominations for future years are being accepted through the registration platform.

The walk is supported by national and local partners, including **Start 2 Finish Event Management, Detroit Choice Events, JARK 1 Entertainment, The Underground Railroad Freedom Center, and others**.

A virtual walk option allows participants to take part from anywhere in the world.

"Opal's Walk for Freedom is a national act of remembrance and responsibility," said **Dione Sims**, founder and CEO of Unity Unlimited. "Walking together reinforces our shared commitment to justice and unity."

Registration is open at [www.opalswalk.com](http://www.opalswalk.com).
