

Strength, Fortune, and New Beginnings: Welcoming the Year of the Horse at Solaire Resort

Manila, Luzon Jan 26, 2026 ([Issuewire.com](https://www.issuewire.com)) - This Lunar New Year, Solaire Resort ushers in the Year of the Fire Horse with a celebration rooted in strength, momentum, and shared prosperity. Across Solaire Resort Entertainment City and Solaire Resort North, guests are invited to experience a season of renewal through time-honoured rituals, elevated dining, immersive installations, and thoughtfully curated offerings that honour tradition while embracing modern expression.

On 17 February, families and friends can gather for auspicious Lunar New Year rituals, including a Dragon and Lion Dance performance, and a Fortune God appearance. These symbolic moments mark the beginning of the celebrations, setting the tone for a festive season where heritage, togetherness, and optimism come to life throughout the resort.

Dining takes centre stage as Solaire presents a rich tapestry of Lunar New Year flavours inspired by abundance and reunion. At Red Lantern in Solaire Resort Entertainment City, guests can indulge in a refined dim sum buffet featuring Crystal Lobster Dumpling Shuijing Xiajiao, symbolising prosperity and elegance, alongside the signature Hong Hong Huo Huo wok-fried lobster, a dish evocative of flourishing success. Elsewhere across the resort, Oasis Garden Cafe offers a Chinese-inspired afternoon tea experience, House of Zhou presents hearty hot pots and contemporary East Asian specialities, while Fresh showcases a lavish Chinese-themed buffet with seasonal Lunar New Year favourites—inviting guests to gather, share, and celebrate over meaningful meals.

Extending the spirit of the season beyond the resort, Solaire's Lunar New Year hampers offer an elegant way to share blessings with loved ones and valued partners. Each hamper is thoughtfully curated with auspicious delicacies such as Uncle De black truffle abalone, bird's nest with rock sugar, dried Chinese dates with walnut, premium red wine, mung bean cake, chicken essence, and other symbolic treats. Available in three distinguished collections—Ri Jin Dou Jin (Php 6,888), Fu Gui Ying Me (Php 13,888), and the opulent Ba Fang Lai Cai (Php 78,888)—the hampers reflect prosperity, refinement, and heartfelt goodwill.

At Solaire Resort North, Mangrove comes alive each evening with a captivating light and sound display that visualises the flow of luck inspired by the Horse. Guests can also savour festive signature dishes such as roasted Peking duck and succulent suckling pig, traditional symbols of reunion and abundance. For those seeking variety, Fresh at Solaire Resort North features interactive live cooking stations and a generous lobster feast, offering a vibrant dining experience that celebrates culture, flavour, and togetherness.
