Taylor Atkinson: A New Kind of REALTOR® with a Heart for Service in Midwest City, Oklahoma

Oklahoma City, Oklahoma Jan 19, 2026 ([Issuewire.com](https://www.issuewire.com)) - Taylor Atkinson, a dedicated REALTOR® with The Atkinson Team at Metro Group Brokers, is making waves in the real estate industry while passionately serving clients in Oklahoma City, Oakmore, Ridgemont, Shawnee, Midwest City, and surrounding communities. With a solid educational foundation and a rich history of service, Taylor is committed to providing exceptional support to his clients as they navigate the complexities of buying and selling homes.

Taylor holds a Bachelor's Degree in General Studies and History from the University of Central Oklahoma. His dedication to service began long before his real estate career; he honorably served six

years in the Army National Guard and enjoyed a distinguished 15-year career as a firefighter before retiring to pursue his passion for real estate. This unique background equips him with the skills necessary to support clients through what can often be an emotional and challenging process.

Coming from a family deeply embedded in real estate—his grandfather a developer, his father an appraiser for 40 years, and his mother a real estate broker—Taylor was inspired to follow in their footsteps. He specializes in residential real estate, adeptly representing both buyers and sellers. His integrity and authenticity shine through in his work, as he offers step-by-step guidance, emotional intelligence, and clear communication, ensuring clients feel supported every step of the way.

Taylor's commitment to giving back extends beyond real estate. He is affiliated with 100 for 22, a mental health foundation dedicated to supporting first responders and military personnel. His remarkable ability to connect with people on a personal level has already led him to achieve an impressive milestone, closing one million dollars in sales within his first month in business—a testament to his determination, authenticity, and positive outlook.

Outside of real estate, Taylor enjoys playing music and golf, finding joy in both the rhythm of melodies and the challenge of the game. He cherishes his time with his six-year-old son and his wife, who is expecting their second child, as well as with their extended family. Taylor also loves hunting, studying the Bible, listening to engaging podcasts, and diving into history, embracing his role as a dedicated historian.
