

The Black & White Clothes: Xandra Ocaya Launches Global Movement Using Fashion to Promote Unity, Hope & Universal Peace

In black, white, silver, & gold—symbols of unity, strength, courage, wisdom, peace, and hope—we act for humanity, for ourselves, & for others, expressing our thoughts believing in a future where we are seen, heard, safe, & where human rights prevail.

Northern Mindanao, Philippines Jan 18, 2026 ([Issuewire.com](https://www.issuewire.com)) - The Black & White Clothes Initiative, founded by Xandra Ocaya in 2024, invites people worldwide to wear symbolic colors—black, white, silver, and gold—to promote unity, courage, wisdom, peace, and hope. Through this simple and voluntary act, the initiative seeks to raise awareness for humanitarian causes, support vulnerable communities, and inspire a global movement of compassion, inclusion, positive change and that conflicts will end as soon as possible (Palestine, Yemen, Sudan, Nigeria, Jamaica, Venezuela) By combining art, fashion, and social responsibility, the initiative encourages individuals to express their shared humanity and take small actions that collectively make a big difference.
