Smart LED Lighting & Smart LED Mirrors

As one of the trusted **hotel lighting suppliers** and **LED lighting suppliers for hotels**, United Hotel Supply offers advanced lighting solutions that improve both aesthetics and operational efficiency.

- **Energy savings:** Energy-efficient LED systems significantly reduce electricity consumption and long-term utility costs.
- **Guest comfort and modern design:** Soft, balanced lighting and elegant **LED bathroom mirrors** create a premium, spa-like guest experience.
- **Reduced maintenance:** Long-life LED technology lowers replacement frequency and maintenance labor.

As a reliable **LED mirror wholesaler**, United Hotel Supply supports hotel brands with consistent quality, modern designs, and dependable availability across the U.S.

Commercial Flooring Built for Hospitality Performance

Flooring plays a crucial role in safety, design, and long-term durability. United Hotel Supply provides **commercial vinyl flooring, commercial hardwood flooring**, and other **highly durable, high-performing flooring** solutions designed for hospitality spaces.

- **High-traffic durability:** Flooring products engineered to withstand heavy foot traffic in lobbies, hallways, and guestrooms.
- **Easy maintenance:** Low-maintenance materials reduce cleaning time and operational costs.
- **Aesthetic flexibility:** A wide range of finishes and styles supports both modern and boutique hotel design concepts.

These flooring solutions allow hotels to achieve long-lasting performance without compromising on visual appeal.
