

# Veteran-Owned ACT Cleaners Expands 24/7 Crime Scene Cleanup and Biohazard Services to Rockford and Winnebago County

ACT Cleaners Owners Pledge Personal 3 AM Emergency Response with Industry-Leading 35-Minute Dispatch for Crime Scene Cleanup and Biohazard Cleanup Near and Far Throughout Rockford IL and Surrounding Communities

**Rockford, Illinois Jan 28, 2026 (IssueWire.com)** - ACT Cleaners, a veteran-owned crime scene cleanup and biohazard remediation company with over 25 years of experience and more than 800 trauma scenes restored, has expanded dedicated 24/7 coverage to Rockford, Illinois and Winnebago County. The expansion brings ACT Cleaners' industry-leading 35-minute emergency response—one of the fastest in Northern Illinois—and owner-answered phone lines to families and businesses who need immediate, professional biohazard cleanup services.

"When a family calls us at 3 AM after the worst day of their lives, they don't get a call center—they get one of the owners," says the ACT Cleaners ownership team. "We built this company on being there when people need us most. Expanding dedicated coverage to Rockford means faster response times and more families helped through the most difficult moments of their lives."

One of the Fastest Crime Scene Cleanup Response Times in Northern Illinois

ACT Cleaners has established itself as one of the fastest-responding biohazard remediation companies in the region, with technicians dispatching within 35 minutes of every call. This rapid response capability, combined with 25 years of hands-on experience and over 800 successfully restored trauma scenes, positions ACT Cleaners as the premier choice for Rockford families facing emergency cleanup situations.

The company's veteran ownership brings military precision and discipline to every job, ensuring thorough decontamination, strict safety protocols, and compassionate service during families' most vulnerable moments.
