

## Vigné Announces Upcoming EP *Etherea* With Lead Single “Water”

The Nigerian singer-songwriter prepares to introduce her new EP *Etherea*, led by the introspective and emotive single “Water.”

**Ikeja, Lagos Jan 31, 2026 ([IssueWire.com](https://www.issuewire.com))** - Nigerian singer-songwriter Vigné is preparing to unveil her highly anticipated EP, *Etherea*, with the lead single “Water.” The upcoming project signals a bold new chapter in her artistry, inviting audiences into an immersive musical world defined by emotion, introspection, and storytelling.

### Introducing *Etherea*

*Etherea* is envisioned as a reflective and cinematic body of work, exploring themes of growth, transformation, and emotional clarity. While still unreleased, the EP promises a cohesive and thought-provoking journey, with “Water” serving as the first glimpse of Vigné’s evolving sound.

### About the Lead Single, “Water”

“Water” embodies the EP’s central themes, blending lush melodies, rhythmic layers, and introspective lyrics. The track is designed to evoke a sense of movement and emotional resonance, inviting listeners to engage deeply with Vigné’s artistic vision.

## Vigné's Vision

"Etherea is about the quiet moments that shape us," Vigné shares. "'Water' leads the journey by capturing the feelings of transition and self-discovery. I want my music to create a space for reflection and connection."

Vigné's music is characterized by soulful vocals, Afrocentric rhythms, and evocative storytelling, establishing her as a distinct voice in contemporary Nigerian music. With *Etherea*, she aims to craft songs that are timeless, emotive, and cinematic, giving listeners a truly immersive experience.

## Looking Ahead

The release dates for "Water" and *Etherea* are set to be announced soon. As anticipation builds, Vigné continues to focus on authenticity, emotional depth, and artistry that resonates long-term, positioning herself as a rising creative force in the global music landscape.
