

Adrienne N. Green, MSN, RN, Recognized by America's Best in Medicine for Championing Patient Care Excellence

Director of Nursing in New Jersey Driving Patient-Centered Care, Infection Prevention, and Clinical Innovation

is a highly accomplished and dynamic nursing professional whose extensive experience spans long-term care, sub-acute rehabilitation, pediatrics, respiratory care, neurology care, and care for patients with developmental disabilities. As a QAPI-certified, DNS-certified, and Wound Care-certified Director of Nursing and Infection Preventionist, Adrienne combines deep clinical expertise with operational leadership to deliver exceptional patient outcomes while ensuring regulatory compliance across healthcare settings.

Currently serving as Director of Nursing in New Jersey, Adrienne oversees daily resident care, supervises and develops direct care staff, implements comprehensive care plans, monitors treatments and medications, and ensures adherence to federal, state, and facility regulations. In addition to her leadership duties, she actively participates in facility committees, audits clinical documentation, and provides guidance in infection prevention, coaching her team to achieve excellence in all aspects of patient care.

Adrienne's educational achievements include a Master of Science in Nursing with a concentration in Clinical Research (2026) from Montclair State University, a Bachelor of Science in Nursing (2019) from Rider University, and an Associate of Science in Nursing (2017) from Raritan Valley Community College. She holds multiple certifications, including QAPI Certified Professional (QCP), Wound Care Certified (WCC) through Vohra Wound Physicians, Certified Director of Nursing Services (DNS-CT), Certified in Infection Control through the CDC (CDC CIC), Alzheimer's Care Certified, and Facility Heart Failure certification.

Her professional journey includes leadership roles at Troy Hills Center as Acting Director of Nursing and Assistant Director of Nursing/Infection Preventionist, Rehab at River's Edge as Assistant Director of Nursing/Infection Preventionist and RN Unit Manager, along with extensive bedside experience as a registered nurse at Morristown Medical Center and Matheny Medical and Educational Center. Across all positions, Adrienne has consistently leveraged critical thinking, medical knowledge, and multitasking skills to deliver superior outcomes, particularly in high-pressure environments.

Adrienne's leadership and commitment to quality care have earned her numerous accolades, including 0% Rehospitalizations for multiple consecutive months (2025), 5-Star Quality Measures Achievement Award (2024), Total Falls Achievement Award (2024), Psychotropic without Diagnosis Achievement Award (2024), and Pressure Injury Achievement Award (2024). She also contributes to the profession through committee work with the Nursing Advisory Board at Rider University and participation in the National Infection Control Committee and Nurse Practice Council.

Recognized for her strategic vision, patient-centered approach, and dedication to advancing healthcare outcomes, Adrienne N. Green is a trusted leader and advocate, making a meaningful impact on the organizations and patients she serves.
