

America's Best in Medicine Recognizes Dr. Vincent R. Panetta for Elevating Eyecare Through Expertise and Community Care

Nationally Board-Certified Optometrist Brings Comprehensive Vision Services to Tampa Bay Area

Tampa, Florida Feb 5, 2026 ([Issuewire.com](https://www.issuewire.com)) - Dr. Vincent Robert Panetta OD, a nationally and Florida Board-Certified Optometrist, and practice owner of Elite Eyes, a state-of-the-art vision care practice in Tampa dedicated to providing exceptional eye care. Committed to patient health and equipped with extensive clinical expertise, Dr. Panetta is making a meaningful impact on his local community by delivering exceptional eye care and ensuring every patient sees their best.

Dr. Panetta's educational journey commenced at Saint Leo University, where he earned a Bachelor of

Science Degree in Biology. His early experiences as an optical lab technician and optician ignited a passion for eyecare that would shape his entire future and career. He furthered his education at the Inter-American University of Puerto Rico School of Optometry, where he obtained his Doctor of Optometry Degree and developed proficiency in Spanish—a skill that enriches his ability to serve a diverse patient population.

In pursuit of excellence, Dr. Panetta trained under a renowned neuro- and pediatric-ophthalmologist, gaining invaluable experience in managing a broad spectrum of ocular conditions. Over the course of this training, he developed specialized skills in managing and treating all ages, from pediatric to geriatric eyecare. Dr. Panetta became an expert in glaucoma, refractions, and advanced contact lens fittings, providing patients with customized, precise, and effective vision solutions and management.

At Elite Eyes, Dr. Panetta offers a comprehensive range of services designed to address modern eyecare challenges. Patients can benefit from thorough eye exams, specialized contact lens fittings—including standard soft lenses and intricate scleral lenses—and evaluations for conditions such as keratoconus, high myopia or hyperopia, dry-eye disorders, and glaucoma. Using cutting-edge technology such as digital phoropters and detailed retinal imaging, Dr. Panetta emphasizes accuracy and comfort in all aspects of eye care.

As a Tampa Bay native, Dr. Panetta is deeply committed to positively impacting the community where he was raised. His personalized approach to eyecare fosters strong relationships with patients, making them feel valued and understood. “I believe in treating every patient with the care and respect they deserve,” said Dr. Panetta. “My goal is to ensure that each individual leaves with a better understanding of their eye health and the best vision solutions available.”

Elite Eyes invites the community to experience the difference that compassionate, expert eyecare can make.
