Thick Textured Handmade Oil Paintings: The "Anti-Print" Guarantee

The true value of an Artallin piece lies in its physical dimension. We specialize in **thick textured handmade oil paintings** using professional impasto techniques.

- **No "Over-Painted" Prints:** We start with a blank linen canvas. Every piece is built layer by layer with heavy-body, eco-friendly oil paints.
- **Authentic Brushstrokes:** Our artists use palette knives to create 3D textures that catch the light, adding a level of depth and vitality that no canvas print can replicate.
- **Bespoke Services:** For clients with specific visions, we also offer personalized commissions. You can easily **commission an oil painting direct from an artist** or even request a **custom oil painting from a photo by an independent artist** through our dedicated design team.
