With a Commitment to Community and Client Service, Debi Brings Four Decades of Experience to the Real Estate Market

Venice, Florida Feb 13, 2026 ([Issuewire.com](https://www.issuewire.com)) - Debi Harman, a dedicated REALTOR® with Keller Williams Island Life Real Estate, is making waves in the Venice real estate scene. With an MBA from Bethel University and a rich professional background at 3M, Debi is uniquely qualified to assist clients in navigating the complexities of the real estate market. Her journey into real estate began after her retirement, which she humorously refers to as a “failure,” realizing her true passion lay in being actively engaged within her community.

Debi specializes in residential real estate, catering to a diverse clientele that includes first-time homebuyers, investors, and those looking to downsize or relocate. Her extensive knowledge of new construction and resale markets allows her to provide tailored services that meet the unique needs of each client. “I find joy in helping people transition to the next phase of their lives, whether that’s buying their first home or finding a luxury property,” says Debi.

Her hands-on experience in home renovation and design has equipped her with a keen eye for potential properties, and she takes pride in promoting the communities she serves. Debi is known for offering discounts to her neighbors and actively participates in local events, fostering a sense of connection and support. Her numerous real estate certifications reflect her dedication to ongoing education and her commitment to achieving her clients’ real estate goals.

In addition to her professional accomplishments, Debi cherishes time spent with her two adorable puppies, Kate and Gabbi, and delights in golfing and reading. Most importantly, she treasures moments with her nine grandchildren, who fill her life with love and laughter.

Debi attributes her success to her 40 years at 3M, where she honed her skills in customer service and relationship building. “I learned the importance of clear communication and exceptional care, lessons I now apply to my real estate business,” she shares. Her unwavering commitment to her clients has established her as a trusted resource in Venice and the surrounding communities, ensuring that she will remain a valuable asset for years to come.
