

# February Creator Update Offers Organic Views with 15% Off on Video Promotion

YouTubers who are looking forward to creating momentum in their careers can now avail themselves of the complete advantages of Video Promotion at 15% discount with February Creator Update.

**Los Angeles, California Feb 8, 2026 ([IssueWire.com](http://IssueWire.com))** - YouTubers are now to create some Valentine's Momentum with Video Promotion Club's latest February Creator Update. The sale starts on February 7 and will be active until February 15, offering a 15% discount on promotional services. The [Video Promotion](#) service offered by the agency is specially designed for YouTubers to help them gain more organic views and exposure from the credible sources and like-minded viewers who will be interested in watching similar video content. The company is currently inviting the creators on YouTube to take complete advantage of this empowering sale offer. It can be highly helpful for the independent and rising YouTubers who are looking for a budget-friendly promotion.

Video Promotion Club is well-revered for its authenticity and effectiveness, which helps to promote all kinds of creators and YouTube channel owners, regardless of the industry. The agency is an official Google partner, and the professionals utilize YouTube ad tools to create legitimate and efficient promotional campaigns. Each campaign is carefully planned to help creators gain more online engagement and web traffic, which is a good signal for YouTube's algorithm. The campaign can help the creators' content reach the top of the algorithm and reach out to relevant users with every successive and related search query. The campaign helps to boost online presence on YouTube, which allows clearing the clutter of competition.

The agency mainly utilizes three kinds of ad formats to create the ad campaigns, and the diversified approach helps to reach the maximum number of the target audiences. They utilize In-Feed Video ads where the promoted video content is shown as an 'In-feed' advertisement to the feeds of the target audiences. Therefore, users with similar interests can easily find the video. Similarly, they use In-stream ads where the promoted video content is shown as a 'commercial' ad, which is mainly played before other videos when a user initiates to watch one. Viewers can either choose to watch the video ad or skip it after 5 seconds. Lastly, there are Featured Search Result ads where the promoted video content is shown as a "search" ad at the top of relevant YouTube search results. As a result, users can easily find the promoted content when they are searching for something similar.

Video Promotion Club has been empowering creators on YouTube for many years now, and it specializes in promoting YouTubers from all industries through its dynamic network that provides both local and global exposure. The company has a dedicated team of professionals and is equipped with a 24\*7 active customer support system, which makes it highly reliable and effective for promotional purposes. With the help of the latest February Creator Update offer, creators can now enjoy a mega discount of 15% applicable to the promotional campaigns. The sale will be active from February 7 to February 15, and YouTubers are encouraged to visit the official website for more details.
