

“Finding Your North” Returns Bigger at Solaire Resort North

Quezon City, Metropolitan Manila Area Feb 5, 2026 ([Issuewire.com](https://www.issuewire.com)) - “Finding Your North” returns on March 14 and 15 at Solaire Resort North, building on the success of its inaugural year and evolving into a signature annual event for Quezon City’s first and only luxury integrated resort.

This year’s edition strengthens Solaire Resort North’s position in the celebrations market by moving beyond venue showcasing to inspire meaningful, thoughtfully curated celebrations for every milestone in life, shaped by intention, luck, and love.

Hosted in the resort’s Grand Ballroom, *Finding Your North* invites guests to step into an area transformed into a living showcase of what their future celebrations can be. From weddings and milestones to corporate and social gatherings, each moment becomes thoughtfully designed to invite joy, fortune, and build heartfelt connections in every celebration brought to life at Solaire Resort North.

More than a fair, *Finding Your North* is a celebration rooted in purpose, connection, and care. It reflects Solaire Resort North’s commitment to creating spaces where ideas turn into lasting experiences. The gathering brings together a community of creatives, makers, and visionaries whose collective work demonstrates how collaboration and intentional design can shape memorable experiences.

Each setup invites guests to immerse themselves in a fully realized celebration environment, offering

inspiration not only through design and craftsmanship, but through interaction, storytelling, and shared moments filled with meaning and emotion. Through this, the resort continues to champion gatherings that go beyond aesthetics, focusing instead on moments of love and good fortune that resonate long after the event itself.

As *Finding Your North* continues to grow, it remains centered on its original vision: to inspire, connect, and elevate the way celebrations are imagined and experienced, all within the luxurious and versatile setting of Solaire Resort North, where every milestone is welcomed with intention and love.
