

# Flying Bowling to Lead the New Wave of Bowling Entertainment at IAAPA Expo Middle East 2026

Explore Cutting-Edge Duckpin Bowling and Immersive Entertainment Designs at Abu Dhabi's Premier Leisure Event

**Abu Zabi, United Arab Emirates Feb 10, 2026 (IssueWire.com)** - Flying Bowling, a leading manufacturer of bowling equipment and provider of one-stop entertainment solutions, is set to make a significant impact at the **2026 IAAPA Expo Middle East**. Taking place from **March 30 to April 2, 2026**, at the Abu Dhabi National Exhibition Centre (ADNEC), Flying Bowling invites industry professionals to **Booth 510** to experience the latest innovations in the amusement sector.

## A Premier Platform for Industry Innovation

Organized by the International Association of Amusement Parks and Attractions (IAAPA), this expo is the region's flagship event, attracting over 325 exhibitors and decision-makers from across the globe. It serves as a critical hub for exploring cutting-edge technologies and sustainable design strategies in the leisure industry.

Flying Bowling will utilize this platform to showcase its commitment to high-quality, innovation-driven products. "We are dedicated to bringing commercially valuable products to the global market, ensuring that our partners stay ahead of industry trends," said the company representative.

## Redefining Entertainment Spaces at Booth 510

At the expo, Flying Bowling will present a range of innovative solutions designed to maximize venue potential. Visitors to **Booth 510** can expect to see:

- **Duckpin Bowling & Innovation:** Showcasing flexible, high-engagement bowling formats that fit various venue sizes, from boutique lounges to standard professional centers.
- **Customizable Space Design:** From CAD planning to installation, offering tailored designs that perfectly match venue requirements.
- **Diverse Entertainment Integration:** Strategies for seamlessly blending bowling with sports bars and immersive interactive experiences to serve malls, hotels, and resorts.

Flying Bowling's solutions are built on independent R&D, ensuring equipment is eco-friendly, safe, and durable while reducing maintenance costs through modular design.
