

# GSFEN Business School (UK) Confers Honorary Doctorate in Business Administration on U.S. Leader Dr. Tameir M. Moore

**London, United Kingdom Feb 14, 2026 (IssueWire.com)** - GSFEN Business School is pleased to announce that Dr. Tameir M. Moore, an accomplished American nonprofit leader and Founder of 4THELUV, has been awarded the prestigious Honorary Doctorate in Business Administration (DBA). The honour was formally issued by Lord Prof. Prince Blessing Lawal, Founder & Global President of GSFEN Business School.

Dr. Moore has distinguished himself across the United States through his transformative work in nonprofit leadership, community organizing, and large-scale event innovation. His career reflects a deep commitment to strengthening communities, fostering collaboration, and creating purposeful experiences that inspire connection and drive measurable impact.

As Founder of 4THELUV, Dr. Moore has championed service-driven initiatives that uplift underserved populations, mobilize volunteers, and cultivate environments where people feel valued, supported, and empowered. His leadership bridges industries and communities with a rare blend of creativity, compassion, and strategic execution.

GSFEN Business School recognizes Dr. Moore for:

- His exceptional leadership within the U.S. nonprofit and community-impact sectors
- His innovative contributions to business, social enterprise, and experiential engagement
- His commitment to empowering communities through intentional collaboration and service
- His distinguished record of excellence, integrity, and purpose-driven impact

“Dr. Tameir M. Moore exemplifies the calibre of global leadership that GSFEN Business School is proud to honour,” said Lord Prof. Prince Blessing Lawal. “His work reflects the values of service, innovation, and community upliftment that define our mission.”

With this conferral, Dr. Moore joins the distinguished circle of GSFEN honorary scholars whose work continues to shape communities and industries around the world.

Congratulations to Dr. Tameir M. Moore (DBA). His legacy stands as a testament to the power of purpose, leadership, and love in action.
