

## GulfHindi.com Now Most Trusted Hindi News Portal in Gulf Arab Nations Focusing Locals and Expats

With strong editorial team [gulfhindi.com](http://gulfhindi.com) is expanding it's reach to local stories with earlier expats focused coverage and issues.

**Dubai, United Arab Emirates Feb 14, 2026 ([Issuewire.com](http://Issuewire.com))** - **GulfHindi.com**, a Hindi-language news portal founded by **Lov Singh**, has rapidly established itself as one of the most reliable and reader-focused digital news platforms for the Arab region.

What began as a niche platform for Gulf-related updates has now evolved into a comprehensive news portal delivering **local, ground-level reporting** from key Gulf countries including the **UAE, Kuwait, Saudi Arabia, Qatar, Bahrain, and Oman**. This expansion has been made possible through a growing network of **local reporters based in these countries**, ensuring accuracy, relevance, and real-time information.

**GulfHindi.com** focuses on issues that matter most to Hindi-speaking residents and Indian expatriates in the Gulf—such as visa regulations, employment and labor updates, traffic rules and fines, gold prices, public advisories, and policy changes—presented in **clear and easy-to-understand Hindi**.

The platform's core mission is to bridge the information gap for Hindi-speaking communities in the Middle East by providing **verified, practical, and timely news** that directly impacts everyday life.

Speaking on the platform's growth, founder Lov Singh stated that GulfHindi.com plans to further expand its local reporting network across more cities and regions, strengthening its commitment to ground-based journalism and community-focused reporting.

Today, **GulfHindi.com** is not just a news website—it has become a **trusted information partner** for millions of Hindi-speaking readers across the Gulf.
