

HIC Global Solutions Welcomes Sason Sadique to Advisory Board to Drive Global Growth and Market Expansion

Strengthening strategic governance and client-centric innovation

Thornhill, Ontario Feb 26, 2026 ([Issuewire.com](https://www.issuewire.com)) - HIC Global Solutions, a Crest Salesforce Consulting Partner and Managed Service Provider is pleased to announce the appointment of Sason Sadique, Co-Founder and Chief Growth Officer at Exalogic Consulting, to its Advisory Board.

With over a decade of experience in driving global business growth and digital transformation, Sason Sadique brings deep expertise in strategic expansion, enterprise consulting, and market development across the Middle East, Europe, and Asia. His appointment reinforces HIC's focus on accelerating global growth while strengthening strategic governance and client-centric innovation.

In his advisory role, Sason will work closely with HIC's leadership team to guide growth strategy, market expansion initiatives, and long-term business planning. His insights will support HIC's mission to scale sustainably while continuing to deliver high-impact Salesforce consulting and AppExchange solutions to customers worldwide.

[Piyush Singhal](#), CEO & Co-founder of HIC Global Solutions, added,

"Sason's deep experience in strategic growth and global consulting makes him an excellent fit for HIC's advisory board. His guidance will be invaluable as we scale our operations, expand our market presence, and strengthen our delivery excellence."

Sason Sadique, Advisory Board Member at HIC Global Solutions, said, "HIC has built a strong

reputation for delivering innovative Salesforce solutions and trusted consulting services. I look forward to working with the leadership team to support their growth journey and help shape the company's next phase of global expansion.”

This strategic appointment reflects HIC Global Solutions' commitment to building a strong governance framework, accelerating global growth, and continuing to deliver high-value Salesforce solutions and AppExchange products, including Docs Made Easy, Sign Made Easy, QB Sync Made Easy, and more.
