

I-Med Claims Launches I-Med Dental Solutions to Strengthen Dental Billing and Revenue Cycle Performance

I-Med Claims launches I-Med Dental Solutions to provide dental practices with expert billing, revenue cycle management, and virtual support, improving collections and operational efficiency.

Oakbrook, Illinois Feb 6, 2026 ([IssueWire.com](https://www.issuewire.com)) - **I-Med Claims**, a healthcare revenue cycle management company, has announced the launch of **I-Med Dental Solutions**, a dedicated division focused on helping dental practices improve collections, reduce claim denials, and streamline financial operations.

As dental practices face increasing insurance complexities, delayed reimbursements, and administrative burden, the need for a specialized [dental billing company](#) has become more critical. I-Med Dental Solutions was created to deliver focused, dental-specific billing support backed by I-Med Claims' experience in healthcare revenue cycle management.

"Dental billing requires precision, consistency, and a deep understanding of payer and coding requirements," said **Rhonda Hunter, Senior Billing Manager** at I-Med Claims. "With I-Med Dental Solutions, we are helping dental practices protect revenue while improving operational efficiency."

I-Med Dental Solutions operates as a **dental billing company**, providing comprehensive [dental revenue cycle management services](#) designed to support practices at every stage of the billing lifecycle.

Core Services Offered by I-Med Dental Solutions Include:

- **Dental Revenue Cycle Management** – Tailored RCM solutions to improve profitability and streamline operations
- **Dental Claim Submission** – Accurate, timely claim submission to improve first-pass acceptance rates
- **Accounts Receivable Management** – Expert AR follow-ups and recovery to maximize cash flow
- **Dental Insurance Billing** – End-to-end insurance billing handled by experienced dental billing specialists
- **Credentialing and Enrollment** – Complete support from documentation to payer communication
- **Breakdown of Benefits** – Clear, transparent insurance benefit analysis to reduce billing confusion

- **Dental Billing Audit** – Comprehensive audits to ensure accuracy, compliance, and revenue integrity

These services are designed to support solo practices, group practices, and DSOs seeking reliable, scalable dental billing solutions without increasing internal administrative workload.

The launch of I-Med Dental Solutions reflects I-Med Claims' continued commitment to expanding specialized billing solutions tailored to the evolving needs of healthcare providers.
